

## You are invited

### Mini-makers workshops

All materials are provided. Workshops are suitable for children aged 8-12.  
Bookings essential.

#### Upcycled flowers

10.00am - 12.00noon, Thursday 20 December 2018

Craft your own colourful paper flowers using recycled paper and upcycled materials. Participants will learn how to create beautiful flowers from re-purposed materials to fashion a garland that will brighten any home. Flower making techniques explored include how to cut and shape petals, construct, and final finishing.

#### Handmade beeswax gifts

10.00am - 12.00noon, Friday 21 December 2018

Calling all busy bees! This workshop is for the creative and eco-conscious alike. Using the versatile medium of beeswax, children will be taught to make dipped taper candles, reusable beeswax food wraps, and decorate their own festive votive candle holders. Every child will leave with a set of hand-made eco-gifts that everyone will be buzzing over!

#### Succulent terrariums

10.00am - 12.00noon, Saturday 19 January 2019

Create a diverse ecosystem using a range of environmental materials to create your very own garden wonderland.

Learn all the secrets techniques to create a tiny world encapsulated in a glass orb terrarium. Using a variety of tools, each participant will get to make one terrarium to take home, using plants, soil, stones, moss, charcoal, and bark.

*Exhibition: Hidden in Plain View* is on display until 24 February 2019.
