

Collecting Moreton Bay

Sunday 21 March 2021 | 11:00 AM - 1:00 PM

Pine Rivers Heritage Museum invites you to celebrate Harmony Week 2021 with an event like no other.

We are asking everyone to come along and share what it means to be a part of the Moreton Bay regional community today.

Everyone is invited to bring along stories to retell and any treasures presently tucked away in the back of the cupboard!

From theatre tickets, and fashion items, to sporting memorabilia, hijabs and beyond. If they relate to the region, we would love to see and hear all about them!

So, join us for a day celebrating local communities new and old, and the stories and items we all collect. Light refreshments will be provided.

[It's personal](#) exhibition is on display Friday 19 February - Sunday 6 June 2021.
